Tammy Coia's writing workshops for women and men: Find your voice and get your story on paper!

Intimate and motivating classes include Writing Your Life Story series; Reflections; The

Memoirist's Essay; Healing Heart workshops and Legacy Writing, all taught with warmth, compassion and experience.

Special events include craft workshops with New York Times bestselling

authors and The Women Inspiring Women conference, featuring dynamic women who are passionate about helping other women succeed.

Isn't it time for your story to be told?
